New Business

Ray reported on the changes at Blue Compass. Shelly left in January and Gonzo left shortly after. The new manager is Matt Madsen, and 2 new reps are Rick and James and they may be our new reps. They will continue to support the Roadrunners with gift certificates at our meetings. They also agreed to replace our banner with the business name change. They will also pay new members first year of our membership if they purchase their RV at Blue Compass. Blue Compass will be having their anniversary sale in July.

Ray mentioned that only 8 members have signed up for the annual meeting in November at Verde River campground. Please make your reservations now as they won't hold spaces much longer.

All Board positions will be open for next year. Please consider stepping in and serving in one of them.

The Facebook page and website are both current and all outings are on them.

Diane said that there were no updates for the Sunshine department.

Sally said her inventory is low for shirts/hats etc. If you want something wearable you can purchase your own and she will have the logo put on.

Anyone who has a donation for the Vets can give to either Dan Grayson or Janis Bevier.

Lee Rosenfeld offered to do a garage sale on June 14 at Peddlers Pass next to the Elks Lodge. It will be early Saturday only. Bring you donations there. Volunteers are welcome.
